

Middle School Mathematics Teacher Announcement (Full-Time)

Guadalupe Regional Middle School (GRMS) is a unique and dynamic middle school actively seeking a highly skilled, passionate, educator to serve as Mathematics teacher for the 2021-2022 school year. As part of the NativityMiguel Coalition of Schools (www.nativitymiguel.org), GRMS is tuition-free and serves students from low and modest income families in grades six, seven, and eight. Founded in 2002, GRMS (www.guadalupeprep.org) is fully accredited by the Texas Catholic Conference Education Department (TCCED) and founded by the Congregation of Christian Brothers, Marist Brothers of the Schools, and the Sisters of the Incarnate Word and Blessed Sacrament.

The teacher reports to the principal and is responsible for the creation of classroom curriculum, the delivery of instruction, and the evaluation of students. The school currently enrolls approximately 80 students with a maximum school size of 90 students. Individual class sizes range from 15-25 students. The Mathematics class is held daily, is 45 minutes long, and there would be three preparations for the three grade levels served. The full-time math teacher would instruct five sections of classes, with two planning/conference periods, and assigned supervision of students. Work schedule is Monday through Friday, 8:00 A.M. until 4:30 P.M.

Required Qualifications:

- Bachelor's degree in content area, or Bachelor's degree with 18 credit hours in content area taught, or Bachelor's degree with state teacher certification
- 12 hours in education courses, or a valid, appropriate state certificate
- Technology proficiency (word processing, spreadsheets, email, internet use, etc.)

Preferred Qualifications:

- Bachelor's degree in Education
- State teacher certification/licensure
- Experience working with economically at-risk youth
- Experience working with English Language Learners (ELL)
- Strong classroom management techniques, and student-centered lessons
- Exceptional verbal and written communication skills
- Bilingual-Spanish speaking
- Master's degree or pursuing a Master's degree in Education or related content field

If you would like to be considered for this unique opportunity and believe your skills, background and qualifications are a good match, please submit a detailed résumé, copy of your transcripts (unofficial or official), and a list of references with contact information:
